

Caliber-Loading	Headstamp-Description	Price
<u>297-230 Short Morris</u>		
		
LDRN	D. C. CO. (rounded copper primer. Headstamp is spaced at 120o intervals, this is a rare headstamp, has auctioned to \$140.00)	30.00
LDRN	Plain with rounded copper primer	3.00
LDRN	K 297-230 (ICI logo on brass primer)	4.00
LDRN	Same except plain rounded copper primer)	4.00
<u>240 Belted Magnum, Rimless</u>		
		
Aluminum tipped PTD	KYNOCH .240 (flat brass primer, purple seal, lower jacket is copper)	10.00
100 grain "Hollow" SN, copper jacket	HOLLAND .240 (flat brass primer, bullet looks like SN, box says "Hollow")	6.00
100 grain Semi-Ptd, SN	HOLLAND .240 (flat brass primer)	6.00
75 grain copper cap PTD	KYNOCH .240 (flat brass primer, lower bullet jacket is copper)	6.00
100 grain SNRN, copper jacket	KYNOCH .240 (flat brass primer)	6.00
100 grain Copper Cap, PTD	KYNOCH .240 (flat brass primer)	6.00
<u>240 Flanged Magnum</u>		
		
100 grain Copper capped PTD	KYNOCH .240 (flat brass primer, lower jacket is cws).....	6.50
Same except lower jacket is copper.....		6.50
<u>244 Holland & Holland Magnum</u>		
		
100 gr. Copper cap PTD	244 MAGNUM (flat brass primer).....	16.00
SNRN, copper jacket	.244 MAGNUM (flat brass primer).....	16.00
100 grain Aluminum point, PTD	.244 MAGNUM (flat nickel primer)	16.00
Same except for flat brass primer.....		16.00
<u>256 Gibbs Magnum</u>		
		
SNPTD, nickel jacket	K GIBBS 256 MAGNUM (flat brass primer)	20.00
145 grain copper capped PTD	K GIBBS 256 MAGNUM (flat brass primer with full ring crimp)	20.00
Solder Point PTD	K GIBBS .256 MAGNUM (flat brass primer, full ring crimp. Bullet jacket is non-magnetic, probably nickel & heavily waxed)	20.00
Copper capped PTD	K GIBBS .256 MAGNUM (ICI logo on flat brass primer, full ring crimp, lower bullet is cws)	20.00
Same	Same except plain flat brass primer	20.00
<u>256 Mannlicher</u>		
		
Slit SNRN	K&C 18 IV 96 (brass primer, steel bullet jack.) <u>Box copy available</u>	7.50
<u>275 Flanged Magnum</u>		
160 grain SNPTD	KYNOCH .275 MAGNUM (brass primer, cws bullet jacket)	17.50
<u>275 Hollands Rimless Belted Nitro</u>		
		

160 grain SNPTD, CWS jacket	KYNOCH .275 MAGNUM (flat brass primer)	7.50
<u>7mm Rigby Magnum</u>		
SNPTD, steel jacket	KYNOCH 7 M.M (brass primer, purple seal).....	9.25
SNPTD, cws jacket	KYNOCH 7 M.M (flat brass primer)	9.25
SNRN, slotted tinned jacket	DWM K (flat brass primer).....	9.25

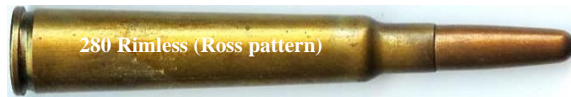

7mm Hollands Magnum Flanged

140 grain copper pointed	Plain flat base with flat brass primer, see Hoyem vol. 3, page 151, 2nd down.	20.00
--------------------------	---	-------

280 Rimless

160 grain steel jacket HP	Plain flat base with a brass primer. From an old yellow-red Kynoch box, These <u>are not</u> the same case as the Ross 280s, the cases are 2.56" long as opposed to the 2.60" standard Ross pattern length and have a different shoulder position. Have not seen these before.....	25.00
---------------------------	--	-------

280 Rimless, (Ross Pattern 2.6" case.)

140 grain FJPTD, steel jacket	* ELEY * ROSS (copper primer).....	16.00
Copper capped FJ, steel jacket	• ELEY • ROSS	16.00
FJHP, copper jacket	KYNOCH .280 (brass primer)	7.00
SNRN, nickel (?) jacket	D.C.Co. 280 ROSS (flat brass primer)	12.00
150 grain SNPTD	W.R.A.CO. .280 ROSS (brass primers)	9.50
Copper cap PTD	U.S.C.CO. 280 ROSS (rounded brass primer, large S stamped in lower bull. jacket)	8.00
Copper cap, PTD	U.S.C.CO. 280 ROSS. (flat brass primer, both halves of jacket are copper) ..	8.00
Copper cap, PTD	U.S.C.CO. 280 ROSS. (rounded brass primer, cap is copper, lower jacket tinned)	8.50
Copper cap, PTD	U.S.C.CO. 280 ROSS (flat nickel primer, cap & lower jacket are copper)....	8.50

280 Flanged Magnum

140 grain FJHP	KYNOCH .280 (flat brass primer).....	12.00
140 grain Copper cap PTD	Same as above	14.00

30 (295) Rook Also called 300 Rook & Rabbit

Shot, blue-green checkered sabot	.ELEY. 295 (copper primer, very scarce in this loading)	7.50
LDRN	U.M.C. .30 ROOK. (U on flat copper primer).....	7.50
LDRN	. ELEY . .295 (flat copper primer)	3.25
LDHP	KYNOCH .300.R.R (flat brass primer with purple seal)	4.50
LDRN (or) LDHP	Plain base with copper primer)	2.50

30 Super Hollands

150 grain Semi-PTD, cws jacket	HOLLAND'S SUPER .30. K (brass primer).....	12.00
180 grain Semi-PTD , cws jacket	Same as above	12.00

300 Sherwood

LDRN	KYNOCH 300 (brass primer with a ICI logo).....	7.50
LDRN	Plain flat base with a flat copper primer)	4.50
Dummy, LDRN	KYNOCH .300 (empty Berdan primer pocket).....	4.00

303 Lewis Machine Gun (303 Rimless)

FJPTD Mark I	R ML 18 I (flat copper primer)	17.00
FJPTD Mark I	R ML 1918 I (flat copper primer)	17.00
<u>303 British, Commercial or contract headstamp.</u>		
FJPTD, cws jacket	(ord bomb) S & B (ord. bomb) 303 BRITISH (flat brass primer)	1.50
Bren gun blank	KYNOCH BREN (flat copp. pri. with maroon seal, dark blue wooden bullet in a RN configuration)	2.00
Dummy, SNPTD, copper jacket	SUPER SPEED 303 BRITISH (hole in black primer, black case)	1.25
All hollow dummy, white bullet tip	B.P.D. 952 (o in center of flat brass primer. Italian).....	2.50
150 grain SNRN	RG 7 53 (copper primer, purple seal. These are from a Lapua box, evidently commercial loads using 1953 British military contract cases)50
215 grain SNRN	G.F. 303 BRITISH (flat brass primer, red seal, Fiocchi)	1.00
150 grain SNPTD	DOMINION 303 BRITISH (flat brass primer, red seal)	1.00
FJPTD Mark 8	IVI 8Z. 85 (flat brass primer, slightly concave base)50
Same copper jacket	303 MK 8 PP-73 (rounded brass primer with bright red seal)60
FJPTD, brightly tinned	REM-UMC 303 BRIT (flat nickel primer)	1.00
180 grain Core-Lokt RN	R-P 303 BRITISH (flat nickel or flat brass primer)75
180 grain SNPTD	BROWNING (@ 12:00) .303 BRITISH (@6:00)	1.50
180 grain SNRN	HERTER'S .303 Br. (flat brass primer)	1.00
130 grain SNRN	NORMA Re .303 BRITISH (flat nickel primer)	1.00
FJPTD, steel jacket	NORMA Re .303 BRITISH (flat nickel primer)	1.00
FJPTD	W.R.A.CO. 1942 (or) 1943 .303 (rounded brass primer with four stab crimps)50
180 grain Power Point RN	W-W SUPER 303 BRITISH (flat nickel primer)75
215 grain SNRN	SUPER SPEED .303 BRITISH (rounded nickel primer)75
Plastic RN bullet M63	F N 5 2 (round brass primer with maroon seal, bullet is translucent plastic and short, oal is only 2.60", box says ".303 SEC PLASTIC M63")	1.25
Blank, 6 petal rose crimp	Plain flat base with a flat copper primer, no crimp or seal50
<u>303 British, Military Headstamp</u>		
G mark II Tracer	K4 1942 GII (flat copp. pri., ring crimp, red seal)	1.50
G Mark 6 tracer, white tip	K5 45 G6 (flat copper primer, ring crimp, red seal).....	1.50
Dummy, U mark V	MG 1943 VII (empty two-hole Berdan pocket, with wood rod spacer visible through flash holes. Copper jacket bullet. Three wide bullet crimps in a white metal case having a smooth surface)	4.00
Same	Plain base on a white metal case having a frosted appearance. Empty two hole Berdan pocket, wood spacer visible through flash holes. Three wide crimps secure a bright nickel (?) plated bullet	3.00
L Mark V blank	MH 44 LV (flat copper primer, ring crimp).....	1.75
Blank L Mark 10Z Blue wood bullet	RG 68 L10 Z (flat copper primer)	1.25

303 Simplex Adapter

LDRN	Plain base with small rounded copper primer)	1.25
Same except for large, rounded copper primer	1.25
Blank, 7 lobe rose crimp	KYNOCH ADAPTOR (rounded copper primer, .62" oal).....	1.00
LDRN	KYNOCH ADAPTOR (rounded copper primer).....	1.25

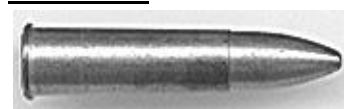

303 Wilkinson Adaptor

LDRN, two exposed grooves	Plain with copper primer, front of rim has pronounced bevel.	1.00
---------------------------	---	------

310 Cadet

LDRN, with knurled ring	C A C 310 (flat copper primer, New Zealand).....	2.50
120 grain LDRN (or) LDHP	KYNOCH .310 (ICI logo on brass primer)	1.00
LDRN, heavily waxed	Plain. slightly rounded base with a .225" dia. flat copper primer	1.00
LDRN	K .310 (flat copper primer, three dot bullet crimps).....	1.00

310 S.A Ball

310 S.A. Ball

310 Cadet with LDRN bullet

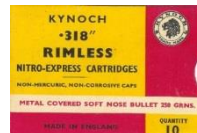

FJPTD	M G .310 (cadet cases loaded with "acceptable" bullets for expected Jap invasion of Australia)	3.00
FJPTD	M F 310 (flat brass primer)	3.00

318 Westley Richards Accelerated Express

318 Westley Richards

Copper capped RN	KYNOCH .318 (flat brass primer, full ring crimp)	6.00
180 grain copper capped tapered RN	KYNOCH .318 NITRO (flat brass primer, full ring crimp, purple seal, lower jacket is cws)	6.00
250 grain SNRN, cws jacket	KYNOCH .318 NITRO (flat brass primer, full ring crimp, purple seal)	6.00
250 grain FJRN, cws jacket	KYNOCH .318 NITRO (flat brass primer, full ring crimp, purple seal)	6.00
250 grain copper capped RN	KYNOCH .310 NITRO (flat brass primer, no seal. Junction between copper cap and lower jacket is knurled ring, lower jacket is cws)	6.00
Tapered cap RN	KYNOCH AXITE .318 (rounded brass primer, cap is nickel, lower jacket is steel)	6.00
250 grain tapered cap RN	KYNOCH .318 NITRO (flat brass primer, full ring crimp, cap is nickel, lower jacket is copper washed steel)	6.00
FJRN, nickel jacket	KYNOCH AXITE .318 (rounded brass primer with full ring crimp)	6.00

333 Jeffery Rimless

SNRN, <u>slitted nickel jacket</u>	JEFFERY .333 K (flat brass primer)	10.50
SNRN, <u>slitted nickel jacket</u>	K JEFFERY C .333 (flat copper primer, beveled on edges)	10.50
SNPTD, nickel jacket, aluminum tip	K JEFFERY C .333 (copper primer, <u>these have neck cracks</u>).....	5.00
FJPTD, nickel jacket	K JEFFERY C .333 (flat copper primer).....	10.50
SNRN, nickel jacket	K JEFFERY C .333 (flat copper primer).....	10.50
SNRN, <u>slitted nickel jacket</u>	Same, only primer much flatter	10.50
SNRN, <u>slitted nickel jacket</u>	KN JEFFERY KN .333 (slightly flattened brass primer, full ring crimp)	10.50
SNRN, nickel jacket	KYNOCH .333 NITRO (flat brass primer)	10.50
FJRN, nickel jacket	KYNOCH .333 NITRO (flat brass primer)	10.00
SNRN, nickel jacket	JEFFERY .333 K (flat brass primer)	10.00
250 grain FJPTD, cws jacket	KYNOCH .333 NITRO (flat brass primer)	10.00
250 grain, nickel jacket, <u>aluminum tip</u>	K JEFFERY C .333 (flat copper primer)	10.50
300 grain SNRN, cws jacket	KYNOCH .333 NITRO (flat brass primer, purple seal)	10.00
Copper cap, PTD	KYNOCH 333 NITRO (flat brass primer, lower jacket is CWS.	10.00
300 grain SN	QUAL-CART 333 JEFFERY (flat nickel primer)	12.00

333 Jeffery Flanged

FJPTD, nickel jacket	JEFFERY .333 K (flat brass primer)	25.00
SNRN, cws jacket	KYNOCH .333 NITRO (flat brass primer)	25.00

350 Rigby-Mauser Magnum

FJRN, cws jacket	RIGBY 350 NITRO MAGNUM (flat brass primer)	8.50
Semi-SN, cws jacket	RIGBY .350 NITRO MAGNUM (flat brass primer)	8.50
SN Semi PTD, cws jacket	RIGBY .350 NITRO MAGNUM (flat brass primer).....	8.50
FJRN, steel jacket	RIGBY .350 NITRO MAGNUM (copper primer)	8.50

400-350 x 2 3/4" Rigby Flanged

400-350 Rigby Flanged

SN semi PTD, cws jacket	RIGBY .350 NITRO (flat copper primer)	10.00
Dummy SN semi PTD, cws jacket	KYNOCH 400-350 NITRO (no primer, factory dummy)	7.00
FJRN, CWS jacket	KYNOCH 400-350 NITRO (flat copper primer)	7.00
225 grain SNRN, cws jacket	KYNOCH 400-350 NITRO (flat copper primer)	7.00
225 grain SNRN, cws jacket	KYNOCH 400-350 NITRO (flat copper primer with purple seal)	7.00
310 grain SNRN, copper jacket	KYNOCH 400-350 NITRO (flat copper primer with purple seal)	7.50

400-360 Nitro Express

SNRN, nickel jacket	ELEY NITRO 400-360 B (rounded copper primer)	10.00
---------------------	--	-------

360 x 2 1/4" Express

LDRN with shoe peg insert	.ELEY.LONDON .360 (flattened copper primer).....	7.50
Gallery load	Plain brass head on a rolled foil Boxer type case. These have a single lead ball seated deep within the case. Mouth closures all similar to that above but all vary in configuration.	15.00
Gallery load	Single lead ball . ELEY . LONDON 360 (flat copper primer, ball is seated down about 1" And covered with what looks like a beeswax wad.....	10.00

360 #2 Nitro Express

320 grain SNRN, nickel jacket	KYNOCH 360 No 2 NITRO (flat copper primer)	25.00
FJRN, nickel jacket	Same as above	25.00

360 #5 Rook

LDHP	Plain flat base with rounded copper primer	2.50
LDHP	Plain rounded base with rounded copper primer)	2.50
LDHP	. ELEY BROS . 360 No 5 (rounded copper primer)	2.50
LDHP	. ELEY . 360 No 5 (flat copper primer, slightly rounded base)	2.50
